EMMETSBURG COMMUNITY COLLEGE-

A community college with an "open door " to learning for students with varying talents and abilities - a college that is interested in helping each student become that for which he is most fitted.

The Emmetsburg Community College is a department of the Public School System of Emmetsburg, Iowa. It received its first students in the fall of 1930. Thus the fall of 1967 will be the thirty-seventh year of continuous operation.

The curriculum at Emmetsburg Community College has both breadth and depth, including general education, professional training and vocational education. The college is a member of the American Association of Junior Colleges. It is fully accredited by the Iowa State Department of Public Instruction and the Iowa Committee on Secondary Schools and College Relations.

SPRING FORMAL

M E D L E Y O F M U S I C A N D C O M E D Y

Students of ECC displayed their fine talents in a variety show presented May 9 under the direction of Leoma Ketcham. In the program were beer and tiparillo commercials, skits about tough guys, desert scenes, radio programs, and a modern farce. ECC chorus gave a brief concert and featured soloists were Mary Kenyon, Linda Duis, and Becky Hantleman. The Fabulous Fantastics Folk Group also sang a few selections. The highlight of the evening was a dance by ECC's very own 'Twiggy' and the "Uncalled For Three Dancers".
